**Account Options**

**Step 4: Authorization Code: You must request from library.**

**Add a Subscription by Code**

AUTHORIZATION CODE

WAX5XWQ3A2GB

[Add Subscription](#)

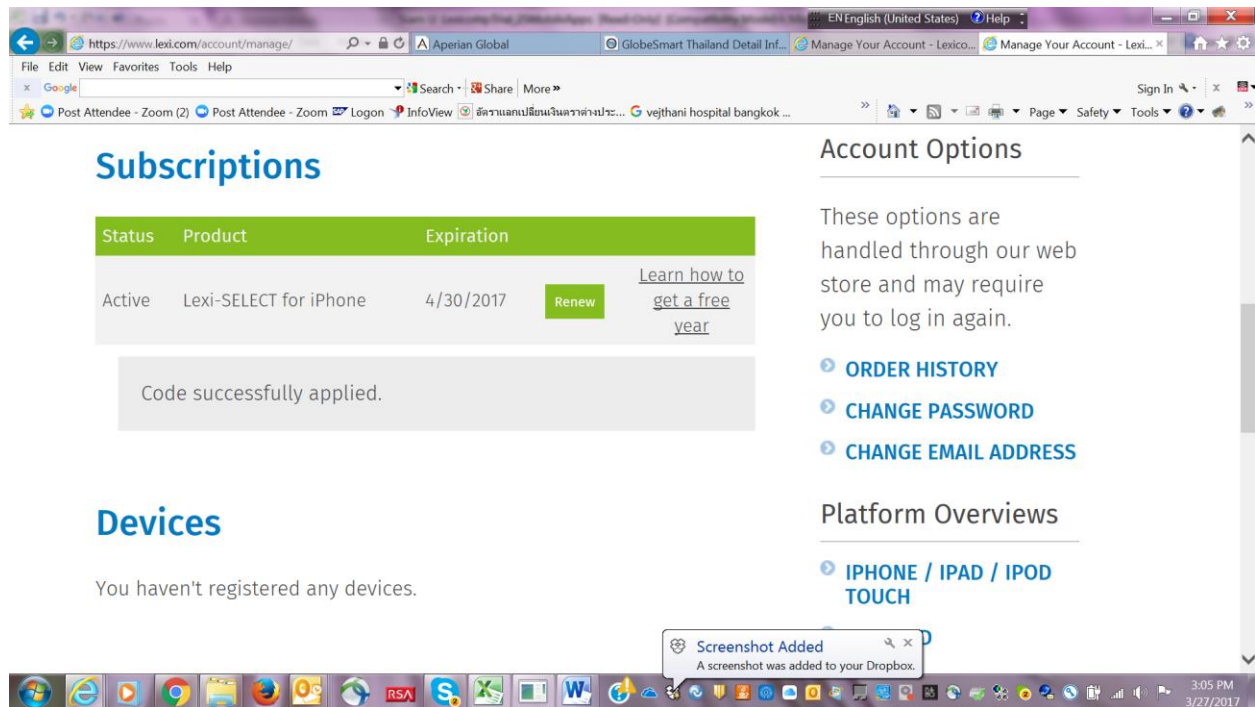

Do I need a authorization code?  
Customers that purchase online or by phone will not require a authorization code. An Authorization Code is a unique 12 digit alphanumeric code used to activate a Lexicomp subscription. Institutional users can obtain a authorization code directly from their site administrator or Lexicomp Online splash page (if applicable).

**Platform Overviews**

- [IPHONE / IPAD / IPOD TOUCH](#)
- [ANDROID](#)

**Devices**

**Step 5:** Go to App store or Play store to search “Lexicomp” then you can download as Offline into your mobile application for 2 devices per one account. And ready to search via application. This account cannot use Lexicomp Online. If you want to go to Lexicomp Online, you must go to URL: [online.lexi.com](http://online.lexi.com) inside university or hospital w/o log in and unlimited users.

**Step 6:** Please go to your email to check “PIN” that we sent to you. Then fill out your PIN within 30 mins.

**Verify PIN**

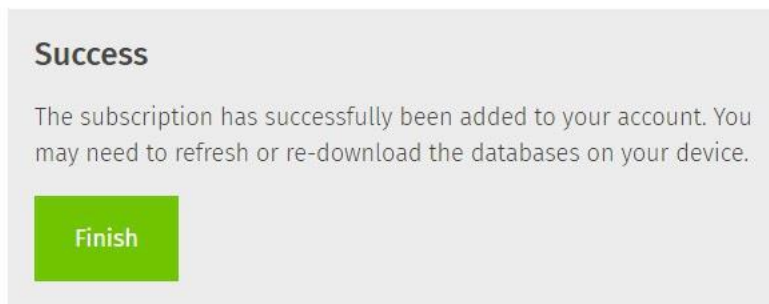

To complete activation, we must verify your email address. A PIN has been sent to **sulit4872@gmail.com**. Please check that email and enter the PIN into the box below to complete activation. **Your PIN will expire in 30 minutes.**

If you don't receive your PIN, you may need to [re-apply your authorization code](#).

PIN

Verify

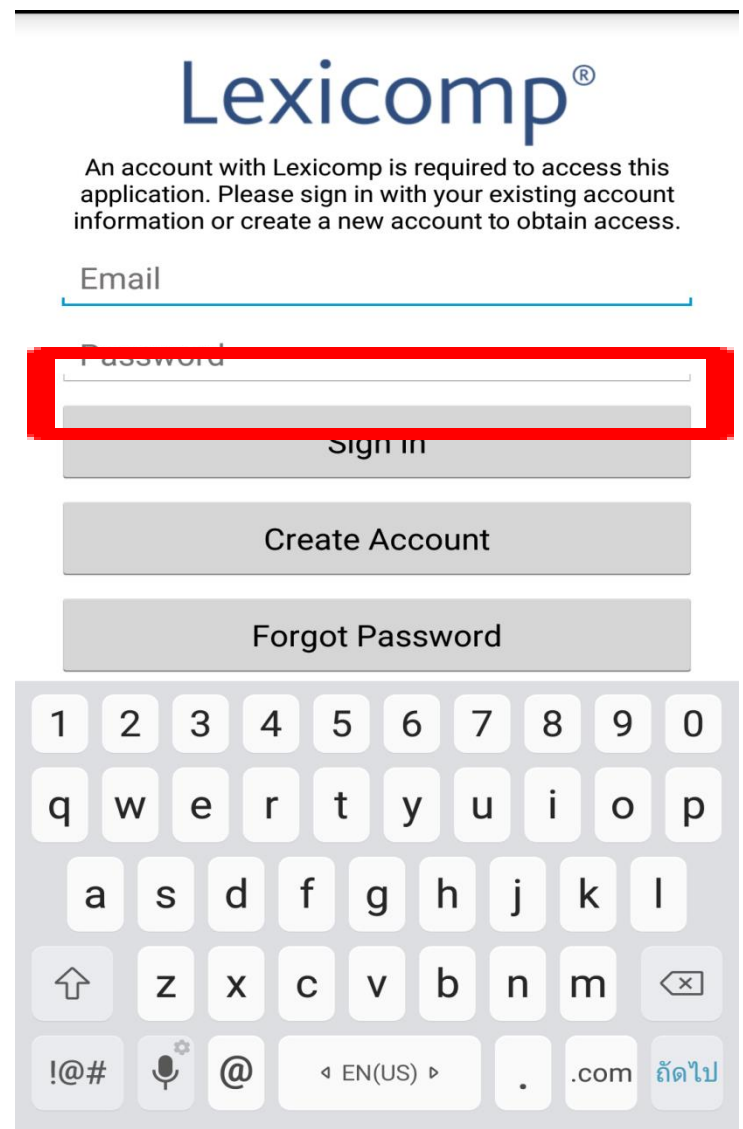

Step 7: You can see “Success”

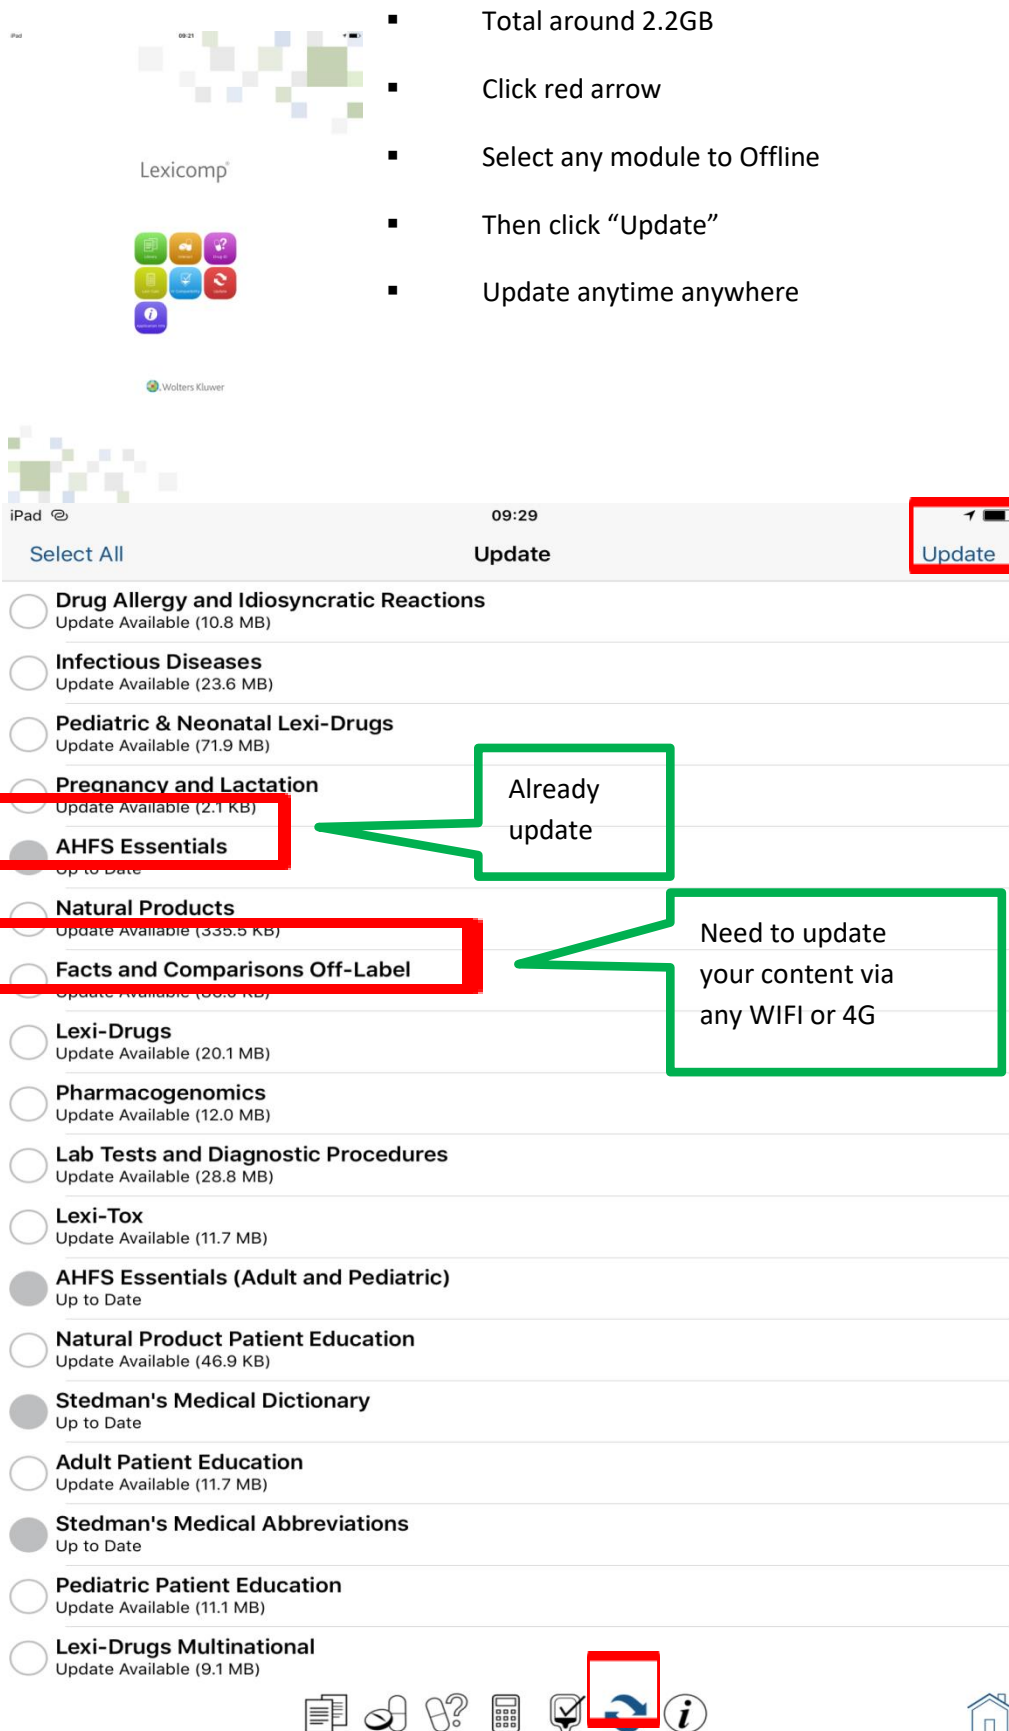

Step 8: Download mobile application by go to Play Store or App Store and search “Lexicomp” anywhere (outside hospital or inside hospital.) Click “Sign in.”

Step 9: Click “Update” in order to download any contents you like to do into your phone.

- Download anywhere with any kind of Internet
